

About Accountancy Professionals

Accountancy Professionals is a leading Dublin based accountancy recruitment specialist. We are experts in the field of permanent and contract/temporary jobs. We place candidates within a wide range of sectors including Industry & Commerce, Financial Services, Practice and Public Sector. We offer a professional recruitment service with in depth knowledge of the jobs market here in Dublin. Our success is based on our proactive approach to finding you the right career move, by understanding what you want, researching your options and finally introducing you to the right people in the right companies.

Our consultants are vastly experienced in the Dublin market and have a minimum of 8 years experience specifically in the recruitment of accountancy jobs. We have a high success rate in finding accountants the right career move. This probably explains why we find over 70% of our candidates through referrals.

We understand that the market for accountants in Dublin is changing. It is now more important than ever to choose recruiters who will dedicate their time and resources to finding the right job for you. At Accountancy Professionals, we differentiate ourselves by using our knowledge and experience to build your career.
